**SUPPLEMENTARY INFORMATION:** The DHS Data Privacy and Integrity Advisory Committee is an advisory committee established in accordance with the provisions of the Federal Advisory Committee Act (FACA), 5 U.S.C. ch. 10. The Committee was

established by the Secretary of Homeland Security under the authority of 6 U.S.C. 451 and provides advice at the request of the Secretary and the Chief Privacy Officer on programmatic, policy, operational, security, administrative, and technological issues within DHS that relate to personally identifiable information (PII), as well as data integrity, transparency, and other privacy-related matters. The duties of the Committee are solely advisory in nature. In developing its advice and recommendations, the Committee may, consistent with the requirements of the FACA, conduct studies, inquiries, or briefings in consultation with individuals and groups in the private sector and/or other governmental entities. The Committee typically hosts at least one public meeting per calendar year.

Committee Membership: The DHS Privacy Office is seeking to fill up to 22 positions for terms of 3 years from the date of appointment. Members are appointed by and serve at the pleasure of the Secretary of the U.S. Department of Homeland Security and must be specially qualified to serve on the Committee by virtue of their education, training, and experience in the fields of data protection, privacy, cybersecurity, and/or emerging technologies. Members are expected to actively participate in Committee and Subcommittee activities and to provide material input into Committee research and recommendations. The Committee's Charter requires that Committee membership be balanced among individuals from the following fields:

1. Individuals who are currently working in higher education, state or local government, or not-for-profit organizations;
2. Individuals currently working in for-profit organizations including at least one who shall be familiar with the data privacy-related issues addressed by small- to medium-sized enterprises;

3. Individuals currently working in for-profit organizations, including at least one who shall be familiar with data privacy-related issues addressed by large-sized and/or multinational enterprises; and
4. Other individuals, as determined appropriate by the Secretary.

In order for DHS to fully leverage broad-ranging experience and education, the Data Privacy and Integrity Advisory Committee must be diverse with regard to professional and technical expertise. DHS is committed to pursuing opportunities, consistent with applicable law, to compose a committee that reflects the diversity of the nation's people. Committee members serve as Special Government Employees (SGE) as defined in section 202(a) of title 18 U.S.C. As such, they are subject to Federal conflict of interest laws and government-wide standards of conduct regulations. Members must annually file a New Entrant Confidential Financial Disclosure Report (OGE Form 450) for review and approval by Department ethics officials. DHS may not release these reports or the information in them to the public except under an order issued by a federal court or as otherwise permitted under the Privacy Act (5 U.S.C. 552a) or Freedom of Information Act (FOIA) (5 U.S.C. 552). Committee members are also required to obtain and retain at least a secret-level security clearance as a condition of their appointment. Members are not compensated for their service on the Committee; however, while attending meetings or otherwise engaged in Committee business, members may receive travel expenses and per diem in accordance with Federal travel regulations.

Committee History and Activities: All individuals interested in applying for Committee membership should review the history of the Committee's work. The Committee's charter and current membership, transcripts of Committee meetings, and all Committee reports and recommendations to the Department are posted on the Committee's web page on the DHS Privacy Office web site ([www.dhs.gov/privacy](http://www.dhs.gov/privacy)).
